DOUG BUERLEIN

Chairman Painter

When President Hoover ushered in Prohibition with the passage of the 18th Amendment in January 1920, he praised the move as "a great social and economic experiment, noble in motive..." Hoover had no idea that this "noble experiment" which made the manufacture, sale and transportation of "intoxicating liquor" illegal, would have some most ignoble consequences. But who wants to talk about bathtub gin, speakeasies or the mob?

Here we are, a century later, appreciating spirits, as intended!

In this issue of Spirited Virginia we celebrate love, escaping, age and music!

Read about the joys of single ingredient simplicity In Love At First Sip. And find plenty of product suggestions that will transport you to a warmer place in Tropical Escapes. Check out 12 recipes for cocktails that will transport you to your beach chair.

Does Age Really Matter? examines select scotches, tequilas, bourbons and cognacs and provides 15 resounding yesses to this question. We celebrate the Grammys in And The Winner Is with callouts to spirited song lyrics, and we hand out a few awards of our own. Chocolate lovers will salivate over this issue's featured product— chocolate-flavored spirits!

We're pleased to introduce two new departments: Distilleries highlighting the Commonwealth's very own manufacturers of distilled spirits, and Gift Guide featuring a themed selection of products perfect for your perfect someone.

On a personal note, this is my last Chairman's Message to you. It has been a great honor to serve you and the Commonwealth in this capacity, but at this point in life, I must dedicate more time and energy to my personal business.

My first day with Virginia ABC occurred in 2006 under then-Governor Kaine; I was appointed Chairman of the Board by then-Governor McAuliffe in 2014 and Chairman of the newly created Authority by Governor Northam in 2018. I am very proud of the great strides forward we have taken on behalf of the citizens of Virginia during this time and know that with this amazing staff ABC will continue to provide excellent service to you, our customers and partners.

As always, Cheers!

THINGS TO KNOW ABOUT VIRGINIA ABC

JEB INGE

We're Open for You

Virginia ABC stores are open seven days a week, nearly every day of the year. Check with your local store for specific hours of operation. Stores close Easter Sunday, Thanksgiving Day and Christmas Day.

Visit Virginia ABC on the Web

Virginia ABC has expanded its social media presence with a customer-oriented Facebook page, Spirited Virginia. This page connects customers to Virginia ABC's website—**www.abc.virginia.gov**—which features cocktail recipes and entertaining ideas. The mobile-friendly website also enables online ordering for both licensee and retail customers and provides directions to store locations, product selection and other information.

No Underage Sales

Virginia ABC is proud of its nearly perfect (99.12 percent) record of not selling to underage persons! In accordance with Virginia law, ABC employees are prohibited from selling to individuals younger than 21. To ensure alcohol is not sold to anyone underage, ABC store staff request identification from customers who look younger than 30.

How Do Products Appear on Store Shelves?

Vendors of distilled spirits and related products make presentations to Virginia ABC quarterly. ABC's decision to list a new product is based on criteria that include trends, category needs, sales history in other states, brand strength and recognition, packaging and appearance, special order demand, customer requests, price and promotional support. Additional consideration may be given to products that are made or distilled in the Commonwealth of Virginia or that have been awarded the distinction of "Virginia's Finest" by the Virginia Department of Agriculture and Consumer Services. After a product is approved, it is distributed to a selection of ABC stores for sale the following quarter.

Importing/Transporting Personal Alcohol

No more than one gallon of alcoholic beverages (or the metric equivalent) may be brought into Virginia from outside the commonwealth except for shipments to Virginia ABC, its licensees or new residents holding special permits. This includes military personnel returning from overseas, new Virginia residents moving into the state and Virginia citizens returning from vacation outside of the commonwealth. Violations may result in fines up to $500 and a year in jail. In addition, the vehicle used to transport the alcohol may be impounded and confiscated.

The Cost of a Bottle

Manufacturers and vendors establish the base cost of a distilled spirit product. Federal tax is added before Virginia ABC calculates the retail price (determined by size and proof) and the applicable state liquor excise tax of 20 percent. Standard sales tax is charged at the point of sale. The pricing process is different for wines, mixers and other products.

Supporting All Virginia Citizens

Virginia ABC is a leading revenue producer for the commonwealth and the source of future economic growth and innovation for the state. The profits that Virginia ABC contributes—collected from sales of distilled spirits at ABC stores, taxes collected on beer and wine sales, violation penalties and license fees—provide much needed funding for use in programs across all secretariats, thus benefiting citizens in all areas of the state whether they choose to drink or not. Since its establishment in 1934, Virginia ABC has contributed more than $9.9 billion to the commonwealth's general fund to support state services, including substance abuse, prevention and treatment.

Alcohol Prevention and Education Initiatives

Virginia ABC leads the commonwealth in alcohol prevention and public education initiatives by offering training and materials for use by licensed establishments, community groups and parents around the state. The authority further empowers Virginia citizens by developing partnerships, conducting speaking engagements and presenting programs that promote the responsible consumption of alcoholic beverages to those of age and zero tolerance to those underage. Programming highlights the dangers of alcohol misuse and hazardous behaviors. In addition, Virginia ABC provides thousands of dollars in grant funding to enhance community coalitions and initiatives.

Chocolate-Flavored Spirits

Great sips of nearly everyone's favorite taste.

If you want something rich, satisfying and decadent, don't look any further. Today, you can find a wide array of spirits, and even wine, blended with nearly everyone's favorite flavor—chocolate. Here are a few tempting varieties available from Virginia ABC either in stores or online.

Godiva Chocolate Liqueur
From Belgium's master chocolate-makers comes this remarkably soft and velvety drink. A mixture of 30-proof liqueur and pure liquid chocolate, this is bold, sweet and delicious with a surprisingly light finish. Godiva Chocolate Liqueur makes a great holiday gift and it's also perfect for cocktails. Try it with vodka, ice, and a chilled glass for a Godiva Grand Chocolate Martini.

Murlarkey Cocoa Whiskey
Murlarkey is a young distillery that's already won a number of awards. Their craft spirits are made by hand in Prince William County, and one of their best is Cocoa Whiskey. Who doesn't love whiskey and chocolate? I'm guessing it's a pretty short list. At Murlarkey, they pour white whiskey on top of all-natural cocoa nibs and wait for the flavors to infuse. This is a highly versatile drink that can be enjoyed neat, lightly chilled, over ice, or blended into a cocktail.

Bailey's Chocolate Cherry
This is an instant classic from Ireland. The renowned team at Bailey's has taken their cream liqueur and made it even better by adding two ingredients that work so well together—chocolate and dark cherries. For a special treat, add it to coffee or your favorite milkshake.

Rapidan River Chocolate Flavored Wine
It's a safe bet that you've never tried anything quite like this chocolate wine from Prince Michel Winery in Leon. They start with Merlot and a proprietary mixture of natural white chocolate, hazelnut and white cocoa flavoring. The taste is bold yet surprisingly subtle.

360 Double Chocolate Vodka
This is the ideal treat for grown-ups. Creamy, sweet and delicious, but with a light vodka kick. 360 Double Chocolate Vodka is distilled six times for maximum purity and made, like everything at 360, under eco-friendly conditions.

Godiva White Chocolate Liqueur
If you like the original Chocolate Liqueur, try one of their newer varieties, such as White Chocolate. Made with real Madagascar vanilla and Godiva chocolate, this is soft and sophisticated with a light, smooth finish. It's perfect for mixing a White Russian Martini or a Chocolate Martini.

CHAIRMAN'S CHOICE

Laird's 10th Generation 100 Proof Bottled-in-Bond 5-Year-Old Apple Brandy, 750 ml ♥

This apple Brandy is blended in select barrels and aged for at least five years, giving it an amber color with hints of baked ripe apples, pears and wood. The barrel aging gives a balanced flavor of apples and sweet tannins, leaving a fresh and lingering taste on the palate. This apple brandy commemorates the historic event of a 10th-generation Laird going into the family business. The artisanal, hand-crafted brandy can be enjoyed straight, on the rocks or in a cocktail popping with apple flavor.

Woodford Reserve Straight Wheat Whiskey, 750 ml

Best known for its bourbon, the Woodford Reserve Distillery introduces its new Kentucky straight wheat whiskey. Following Prohibition, the federal government recognized four styles of American whiskeys based on the dominant grain—corn (bourbon), rye, malt (malted barley) and wheat. Woodford's new wheat whiskey is unique as it uses all four grain types in its production with wheat as its dominant grain. At 90.4 proof, this whiskey tastes of spicy applesauce, toasted coconut and cocoa nibs and finishes dry with subtle cocoa and lingering apple peel.

Diplomatico Planas, 750 ml

This rich Venezuelan rum takes its name from the Planas Valley, a region located near the Diplomatico Distillery, nestled at the foot of the Andes Mountains. Made with raw molasses and sugar cane honey, this rum is pot distilled in both column and batch kettles, then aged up to six years in American White Oak casks. This spirit gets its crystal-clear appearance and smooth finish from the distillery's complex charcoal filtration process that is carried out to bottling. Diplomatico Planas gives out tropical aromas such as coffee and coconut, leading to fruity and delicate flavor notes.

Buoys Freeze-Dried Lemon and Lime Wheels, 5 slices per package

These freeze-dried garnishes are the new, easy way to add a bit of citrus flavor to any cocktail. The lemon and lime wheels are nutritionally preserved during the freeze-drying process to offer a shelf-stable product for easy cocktail topping.

Mike Sharum, Sales Associate, Store 145, Harrisonburg

BILLY FELLIN

Mike Sharum had been retired only for a month or so when he knew he needed something to do with his time. Browsing the Commonwealth of Virginia jobs website, he saw a listing for sales associate with Virginia ABC.

"I got to reading the job description, and it fit my personality," he recalls—plus he appreciated ABC's mission statement. "So I said, yep, I need to give this a shot." His first day, July 15, was also his 72nd birthday.

What appealed to you about the job?

ABC allows me to interact with people. As a medical technologist [from 1965 to retirement], I was quite isolated. I am what people term a super-extrovert. I'm a sales associate at ABC and I love it. I'm usually about 30 minutes early for my shift.

As a former law enforcement officer I had interaction with people on a daily basis, but the outcomes were often not positive. The people I work with now are a joy to deal with. You meet diverse types of people. I can be of service to them, and to the state of Virginia by the standards that they've set.

And I have a great team. My regional manager, Donna Santmyers, my manager, Ken Lieberman, my assistant manager, Whitney Harris—these people are very, very knowledgeable. I learn something new from them every day that helps me do my job better. I have a good time and they pay me to do it.

Would you recommend this job to other people?

I would highly recommend this job to anyone that has the outgoing personality that's required in a retail setting. It's a perfect job for a retiree or an of-age college student or just someone looking for part-time work. I don't think you could find a better job.

What do you think are helpful traits for ABC employees?

First off, you should be extroverted. You have to be open to change and able to adapt. It doesn't cost a cent to be kind, and if you treat people with kindness and respect, you'll be surprised what you get back.

Give us an example of a time you were able to assist a customer.

A gentleman came in and was walking up and down the aisle. I asked him if he needed hlep. He said he was looking for a present for his boss. I took the knowledge I'd gained from my manager and my assistant manager and from doing research and what other customers have said, and I made four or five suggestions. He chose one and I asked him to come back and tell me if it worked. About a week later, he came back and said it was perfect, that the boss loved it.

Do you try to stay tuned in to changes in the liquor industry?

I have five websites on my phone that automatically alert me to any changes—new products, new additions and issues in the liquor industry.

Do you have a favorite liquor?

I would have to say it would be a single malt Scotch, on ice.

Taste Northern Virginia!

The region's distilleries offer distinctive spirits.

By treating yourself to a Virginia-made liquor, you can enjoy the spirits of the commonwealth while also supporting the local economy. Virginia ABC carries more than 200 such products. Not only are they available at your favorite ABC store, many of these Virginia spirits may be tried in a sample taste or cocktail served in distillery tasting rooms. At many, you can even take a tour and learn more about the distilling process.

In showcasing the distilleries that produce these made-in-Virginia products, we start with those in Northern Virginia.

A A. Smith Bowman Distillery
Fredericksburg

This historic Virginia distillery began when founder A. Smith Bowman built a distillery in 1934 to utilize excess grain from his farm, resulting in Virginia Gentleman whiskey. Today, A. Smith Bowman distills premium handcrafted small batches, including award-winning bourbons and innovative experimental spirits, such as gin, port-barrel finished whiskey, caramel bourbon cream liqueur and rum. In 2016 and 2017, the distillery was awarded "World's Best Bourbon" at the World Whiskies Awards. ***Asmithbowman.com***

B Catoctin Creek Distilling
Purcellville

Catoctin Creek was founded by Becky and Scott Harris in 2009 as the first legal distillery in Loudoun County since before Prohibition. Distiller Becky Harris sources grain and fruit from local farmers, using those that are free of pesticides and chemical additives, to create clean, unadulterated spirits. Besides the award-winning flagship Roundstone Rye, look for gin, brandy made from Virginia-grown grapes and aged in French Bordeaux oak barrels, and other fruit brandies—peach, apple, and pear. ***Catoctincreekdistilling.com***

C Copper Fox Distillery
Sperryville (and Williamsburg)

Inspired by both American and Scottish distilleries, founder Rick Wasmund determined that Copper Fox would distill whiskey using barley that was malted on site. Wasmund further refined his concept, then opened in 2005 with a traditional malt floor and kiln, using local fruitwoods to smoke and dry the grain, as well as distilling equipment to put the malt to use. Copper Fox Distillery starts with locally grown barley, developed at Virginia Tech. Look for a variety of whiskies—single malts and rye and various barrel finishes—as well as gin. ***Copperfoxdistillery.com***

D Falls Church Distillers
Falls Church

The Falls Church Distillers location serves as more than just a tasting room. Founded in 2017 by a father-and-son team, Michael and Lorenzo Paluzzi, the business draws from the family's Italian heritage and offers a full menu of Italian food, and then some, as well as wine, beer and nonalcoholic beverages, plus liquor in tastings and cocktails. Falls Church spirits include whiskey, gin, vodka, rum liqueur and apple brandy. ***Fcdistillers.com***

E KO Distilling
Manassas

Lifelong friends Bill Karlson and John O'Mara met as classmates and cadet midshipmen at the United States Merchant Marine Academy, remained friends and came together in this distilling venture years later. After offering unaged whiskey and gins upon opening in 2015, KO Distilling released its first aged spirit, Bare Knuckle American Wheat Whiskey, in November 2016. Consumers can choose among variations in KO's whiskies—including bourbon, wheat and rye —and gins. ***Kodistilling.com***

F Mt. Defiance Cidery & Distillery
Middleburg

Since opening in 2014, managing partner Marc Chretien and lead distiller Peter Ahlf have focused on "lost spirits," products once forgotten because of post-Prohibition mass production and outdated laws. Besides traditional cider, the team creates a diversity of spirits: apple brandy, rum (early Americans' first craft liquor), sweet vermouth, cassis liqueur, amaretto and whiskey. The distillery's traditional French-style absinthe arises from a late-19th century recipe and is distilled using whole botanicals—including Virginia-grown grand wormwood, roman wormwood and hyssop. ***Mtdefiance.com***

G Mount Vernon Distillery
Mount Vernon

In 1799, George Washington's distillery is said to have produced nearly 11,000 gallons of liquor—mostly whiskey—making it one of the young nation's largest distilleries. In 2007, the distillery was re-created, and today it produces spirits similar to those from years gone by. The small-batch spirits are limited, but guests can visit the reconstruction of the distillery as well as the gristmill, where Washington's workers produced flour and cornmeal. ***MountVernon.org/the-estate-gardens/distillery***

H MurLarkey Distilled Spirits
Bristow

The founders' heritage made opening a distillery a natural: Irish-American cousins Tom Murray and Mike Larkin (hence "MurLarkey") worked with friends and family to create small-batch spirits that embody their Irish heritage. The distilled spirits lineup includes whiskey (of course!), such as unaged Justice White Whiskey, but from there, the tastes sparkle like a leprechaun at the end of the rainbow. Think Smokehouse Whiskey, wine-cask-finished Heritage Whiskey, vodka and gin—plus whiskies infused with cinnamon, lemon, coffee and more. ***MurLarkey.com***

Love AT First Sip

THE JOYS OF SINGLE-INGREDIENT SIMPLICITY.

BY ANNIE TOBEY

A multi-ingredient *cocktail* can be glorious and hit all the right notes. But when you find a delightful spirit that tickles your *taste buds* all by itself, the simplicity strikes a welcome chord.

It's like the difference between a symphony orchestra or full rock band versus a solo pianist or acoustic guitarist: sometimes you want that monumental, heart-pounding effect, but other times you prefer the soothing sounds of *simplicity*.

Take the classic **Godiva Chocolate Liqueur**. Of course, Godiva knows chocolate—and to put that perfect expression of the popular flavor into liquid form, soft and creamy, with a rich, silky finish—simply divine! Sure, you could use it to make a cocktail, but why bother? The maestro sings masterfully on its own, like a Met singer or blues saxophonist.

If you're looking for spirited soloists, one that matches your musical palate, we've got a few for you to try.

Liqueurs

The standard bearers for straight sippers are liqueurs—aka cordials or schnapps—which have long been enjoyed on their own. Better yet, they come in a variety of flavors, guaranteed to play a delightful tune for just about anyone. Typically sweet and often creamy, they practically sing a lullaby after a filling dinner (or before—who are we to judge?).

Consider a bit of coffee-forward **Kahlua** or the orange notes of **Grand Marnier**. Scan the shelves of your favorite ABC store and see what other flavors might strike your fancy: nuts (amaretto and more), cherry and other berries (like framboise), lemon (especially limoncello), licorice (including sambuca, ouzo, anisette and arak), ginger and so many more.

Recommended:

Mozart creates a variety of melodic liqueurs. There's the sophisticated, bittersweet and smoky notes of **Mozart Dark Chocolate Liqueur**, blending dark chocolate, vanilla and caramel. Or the **Mozart Chocolate Cream Liqueur**, with melodies of Belgian chocolate, fresh cream and aromatic vanilla and cocoa. Surely a symphony in your mouth!

Not only does **Godiva** create its irresistible **Original Chocolate Liqueur**, you can also enjoy **White Chocolate Liqueur**, combining delicate flavors of white chocolate and Madagascar vanilla with a soft, lush finish.

You can try **Solerno Blood Orange Liqueur**, made with sun-drenched blood oranges from Sicily.

Or enjoy **Vitae Spirits Coffee Liqueur**, made in collaboration with award-winning

Charlottesville Mudhouse Coffee Roasters, for notes of chocolate, plum, cherry and caramel. Oh, and coffee!

Gioia Luisa Limoncello Crème, an original limoncello with a touch of cream for a lighter version—has half the alcohol but is an equally delightful aperitif. Smooth, light, rich lemony liqueur with an added touch of cream.

Flavored Vodka

As the classic neutral base spirit, vodka sets the stage for the addition of a practically unlimited number of creative flavors. Look for fruity flavors (think pineapple, cherry, citrus fruits and so much

more), botanicals and spices (like basil) and seasonal notes such as vanilla and watermelon.

Recommended:

CÎROC French Vanilla Vodka, distilled five times from fine French grapes in the South of France, is infused with French vanilla and other natural flavors.

Ketel One Botanical Peach & Orange Blossom contains no sugars or artificial sweeteners and is distilled with real botanicals and infused with natural flavors.

Effen Raspberry Vodka begins with premium French wheat, then adds luscious berries.

Grey Goose Cherry Noir uses cultivated ripe black cherries for dark fruit flavors and layers of spice.

Moonshine

Traditionally, corn-based moonshine embraces flavoring (probably needed when the run-from-the-revenuer distillers were less than professional). These days, however, the flavors merely enhance a smooth, improved

base. You'll find many of these worthwhile variations on Virginia ABC store shelves.

Recommended:

Tennessee's **Ole Smoky** offers flavors such as Salty Caramel, Mountain Java, Butter Pecan Moonshine Cream, Cinnamon, Apple Pie, Butterscotch and many more.

Richmond's **Belle Isle Moonshine** serves up Honey Habanero, Blood Orange, Ruby Red Grapefruit and Cold Brew Coffee.

Firefly Moonshine lights up the sky with flavors like Cherry, Strawberry, Peach and others.

Try **Midnight Moon's Blackberry** 'shine, a handcrafted infusion of 100-proof moonshine with all-natural blackberries.

Flavored Rum

Rum starts with a sugar base—as from molasses or raw cane sugar—so it already has a leg up on

THE PEANUT BUTTER CUP SHOOTER

Combine two delicious flavored sippers in one unforgettable shot.

- 1 OZ. SKREWBALL PEANUT BUTTER WHISKEY
- 1 OZ. 360 DOUBLE CHOCOLATE VODKA

Stir the whiskey and vodka in a mixing glass with ice and strain into chilled glass. Top with whipped cream and chocolate shavings and shoot – or sip – your choice entirely!

BILLY FELLIN

making a satisfactory sipper with an appropriate addition of flavors. And when the distillery adds a little bit of cream to the mix, you've got a concoction made in paradise (a tropical paradise, perhaps!).

Recommended:

Blue Chair Bay, Kenny Chesney's all-star lineup of flavored rums will have you singing tropical tunes with a Country Western twang. Try the Key West-inspiration, **Blue Chair Bay Key Lime Rum Cream**, presenting fresh key lime notes, a rich and buttery middle and a graham cracker crust finish. Or the **Pineapple Rum Cream**, with pineapple up front and a coconut finish.

Diplomatico Reserva Exclusiva, a complex sipping rum, is crafted from pure sugarcane honey, distilled in ancient copper pot stills and aged in small oak casks for up to 12 years. On the nose, look for maple syrup, orange peel, brown sugar and licorice, then take a slow, pleasurable sip for a palate-pleaser of sweet toffee fudge, setting the stage for an elegant finish.

Captain Morgan Spiced Rum has been carefully blended, bringing together fine Caribbean rums with select spices.

Siesta Key Coffee Rum is a tropic-inspired partnership consummated in Sarasota, Florida. Using locally roasted Columbian beans, the flavored rum is made like cold brew coffee, giving it a rich coffee taste.

Other Spirits

Though many aficionados like their liquor neat, as with whiskey or brandy, others prefer the dash of flavor that contemporary distillers offer. For example, classically comforting tones come from New Orleans-born **Southern Comfort**, a unique blend of whiskey, fruit and spices. Other distillers add a variety of flavors: fruits, spices, vanilla, chocolate, maple and even jalapeños.

Recommended:

Fireball Cinnamon Whisky fills your mouth with a spicy burn—like facing a "fire-breathing dragon who just ate a whisky barrel full of spicy cinnamon." Oh, the pleasure of the pain!

Peanut butter and whiskey? Really? Well, not too long ago, nobody realized how well peanut butter and chocolate played together. Try **Skrewball Peanut Butter Whiskey** and see for yourself what smooth dance partners they make!

So pour yourself your perfect sipper—a simple task that pairs well with putting up your feet and enjoying every ounce!

DOES AGE *REALLY* MATTER?

In a word, yes. And here are 15 ways to find proof.

WRITTEN BY ANDREW MADIGAN

Many premium spirits are aged. This might be for three years, or more than 20, but one thing is constant. Aging brings out a more full, complex and satisfying flavor. Here's a list of 15 fine spirits—scotch, tequila, bourbon and cognac—for every price range. They're all available in-store, online or by special order. See the Virginia ABC website for details.

SCOTCH

Auchentoshan 21 Year Single Malt Scotch Smooth and mellow, this is the perfect tipple at the end of a long day. Auchentoshan 21 Year is triple-distilled and then aged in casks that once held Spanish sherry and American bourbon. This is an elegant Lowland scotch with a bright copper hue and a rich, sophisticated taste—mint, dark chocolate, honey and fresh barley. **Available in some stores and via special order. $$$**

Benriach 10 Year Single Malt Scotch This is a classic Speyside whisky matured in repurposed sherry and bourbon barrels. On the palate, you'll get oak, dried fruit, apple and stone fruit with undertones of lemon zest and allspice. The finish is long, warm and delicate. **Available in some stores and via special order. $$**

The Dalmore 12 Year Scotch A robust yet elegant Highland whisky, this is exceptionally well balanced and smooth, with a rich mouthfeel. For the first nine years, Dalmore 12 is matured in American White Oak bourbon barrels, followed by three more years in sherry casks. The flavor profile includes orange marmalade, coffee, raisins, nutmeg and spiced Christmas cake. **Available in stores. $$**

Glenfarclas 21 Year Single Malt Scotch Aged exclusively in Oloroso sherry barrels, this is an intense scotch with a bouquet of tropical fruit and citrus. Glenfarclas 21 has a subtle amber color, a full body, and a strong finish with notes of walnut, fig, chocolate and a hint of smoke. **Available in some stores and via special order. $$$**

TEQUILA

Hornitos Cristalino Tequila From the town of Tequila in Jalisco, Hornotis Cristalino (Spanish for "crystalline") is a unique beverage. Although it's crystal clear like a blanco, it's actually an anejo that's been filtered to remove any colors that develop during maturation. This is a great sipping tequila with a taste of honey, toasted agave, vanilla and caramel. For a special treat, try floating a dash of club soda on top. **Available in some stores and via special order. $**

Fortaleza Tequila Reposado Fermented in open-air wooden tanks, double-distilled, then matured in American oak casks, every care has been taken to craft a superior, delicious, one-of-a-kind spirit. Buttery and sweet on the nose, with a whiff of blood orange, caramel and singed agave, Fortaleza Reposado has a soft unctuous mouthfeel, a complex spicy flavor, and a silky finish. **Available in some stores and via special order. $$$**

Tres Agaves Tequila Anejo This artisanal tequila is 100% agave estate grown and aged for 18 months in ex-bourbon barrels, producing a smooth, smoky, full-bodied taste. Both the agave and oak come through on the tongue, as do hints of butterscotch, rosemary and lighter floral notes. Try Tres Agaves straight up or in a classic margarita. **Available in stores. $**

RUM

Discovered in the 17th century, rum is a product of Caribbean sugarcane plantations. The discovery spread into Colonial North America and continues as a favored liquor into the 21st century. After all, a liquor springing from sugar—what's not to love?

Let a rum cocktail carry your spirit to the shores of a Caribbean island.

Fill a cup or glass with ice and iced coffee – or with hot coffee. Then just add Kahlúa, milk to taste, mix and sip.

AND THE WINNER IS . . .

Singing the praises of cocktails and spirits.

By Annie Tobey

Roll out the red carpet, don your tuxedo or most sparkly dress, put on your finest bling, and get ready to celebrate! With a nod to the Grammy awards, presented annually to recognize music industry achievements, we take a look at the history of spirits and music, while also handing out a few awards of our own!

Throughout the history of music, musicians have often referenced spirits and mixed drinks in lyrics, for a colorful and insightful view throughout the 20th and 21st centuries of the culture at the time.

Rhythm-and-blues musician **Amos Milburn** popularized multiple good-natured songs about booze and parties in the 1940s and 1950s, accompanied by energetic piano and horns. He crooned the heartbreak song, "Thinking and Drinking" and the upbeat "House Party": "Come on everybody, it's Saturday night, … let's house party tonight!" Other Milburn nods to the temptations of drink ranged from "Just One More Drink" and "Let Me Go Home, Whiskey" to "Vicious, Vicious Vodka."

The swing and boogie-woogie **Andrews Sisters** celebrated the Cuba Libre in their 1944 hit, "Rum and Coca Cola." And Don McLean sang of good ol' boys drinking whiskey and rye in 1971 (seemingly unaware that rye is whiskey).

The Tequila Sunrise reflects the mingling of music and drink. Created in San Francisco in the early 1970s, the cocktail became a Rolling Stones favorite. Given the drink's soaring popularity, the **Eagles** released "Tequila Sunrise" in 1973.

Longer lasting than a frozen concoction in a freezer, **Jimmy Buffett**'s 1977 hit, "Margaritaville," has become a classic song as well as the name of a chain of Buffett-themed restaurants and retirement communities. It's also been covered by the likes of country singer **Alan Jackson** and pro wrestlers **Stone Cold Steve Austin** and **The Rock**.

Country artist **Shelly West** released "José Cuervo" in 1983: "José Cuervo, you are a friend of mine, I like to drink you with a little salt and lime … the music is playing and my spirits are high."

HEARTBREAK & BLUES

A multitude of musicians have paired sorrow and alcohol, as **Hank Williams Jr.**'s 1989 release of "There's a Tear in My Beer." Booze-and-blues master Amos Milburn recorded "One Bourbon, One Scotch, One Beer" in 1953.

NOW FAST FORWARD TO 2020.

Spirited Virginia highlights liquid pop-culture mixes and a few top contenders on Virginia ABC store shelves and at Commonwealth bars and restaurants.

Songs filled with heartfelt messages, from the blues to love songs, pair well with spirits.

The song was modified by **John Lee Hooker** in 1966 and **George Thorogood** in 1977. "Well I ain't seen my baby since I don't know when, I been drinking bourbon whiskey, scotch and gin." At last call, the heartbroken lover orders "One bourbon, one scotch, one beer."

Country music duo **Dan + Shay**,

in their Grammy award-winning country music song, "Tequila" (2018), recognize the power of taste to stimulate memory. "I can drink whiskey and red wine, Champagne all night, little Scotch on the rocks and I'm fine, I'm fine. But when I taste tequila, baby I still see ya."

LOVE SONGS

There's nothing to compare to the buzz of love, as scores of singers and songwriters can attest.

Inspired by an evening of drinking moonshine, **Bruno Mars** and his fellow musicians created "Moonshine" (2012): "Moonshine, take us to the stars tonight, take us to that special place."

Country singer **Chris Stapleton** covered "Tennessee Whiskey" in 2015 (originally recorded in 1981 and again in 1983).

Country singer/songwriter **Luke Bryan** shared similar sentiments in "Drunk on You" (2016). Similarly, country singer- songwriter **Brett Eldredge** sang "Drunk on Your Love" (2015). "The second she walked through the door, I caught a buzz … It's not in the whiskey, tequila or the wine. It's all about the touch and the fire in your eyes … Wish I could bottle you up and drink you in all day long."

"Every time you dance in front of me, I feel dizzy like tequila running through my brain," sing **Michael Franti & Spearhead** in "My Favorite Wine Is Tequila" (2016). "My favorite wine is tequila. It makes me feel fine, just like you, girl."

Gazzo's dance-electronic production of "Love Drunk" (2016) shared a similar sentiment. "I don't need no whiskey as long as she's with me," sang **Matt McAndrew**, then, joined by a female vocalist: "I don't need no Jack or Johnnie, I've got my honey. He's my Southern Comfort. Kind o' hangover that don't hurt. And I don't need no silly umbrella, 'cause nothing is sweet as my fella."

Sometimes the liquor receives more than just a passing mention. Instead, some songs prominently feature a spirit, cocktail or brand.

SPIRITS IN SONGS

Liquor companies and musicians have realized the power of banding together—or shall we say "branding" together. When musicians sing of specific brands or cocktails, the brands can capitalize on the song's popularity, as José Cuervo Tequila did with the popularity of the "Tequila Sunrise" song and drink, despite not being named in the song.

Hennessy also gets prime airtime in hip-hop and rap songs such as **Tupac**'s "Hennessy" (1992) and **Snoop Dogg'**s "Hennessy 'n' Buddha" (2000). And then there's the sultry song from **DeJ Loaf** and **Lil Wayne**'s "Me U & Hennessy" (2015): "Can we stay home tonight? Try something new tonight? This drink got me feeling right. I'm 'bout to lose my mind. You, me and Hennessy, look what you did to me."

A rich cocktail of musicians – **Buddy Guy**, **Keith Richards** and Jeff Beck, with a tip of the hat to **Muddy Waters**—came together for "Cognac" (2018). "Talkin' 'bout cognac, liquid gold in every sip… I'm talkin' about cognac … Rémy Martin XO."

COCKTAILS IN SONGS

Back in 1979, **Rupert Holmes** reconnected with his lover in "Escape (The Piña Colada Song)."

His personal ad (the ancient equivalent of online dating) stated, "If you like Piña Coladas and getting caught in the rain … I'm the love that you've looked for."

In 1987, the **Beastie Boys** showed how cocktails can connect friends—especially a cocktail made with equal parts dark rum, vodka and orange juice: "Me and the crew, we're drinking Brass Monkey … that funky Monkey."

Snoop Dogg recorded "Gin and Juice" (1993), referencing Seagram's and Tanqueray. During an interview with Vice magazine, Snoop Dogg had a Laid Back Cocktail on the rocks—one part gin, one part apple vodka, two parts fresh pineapple juice and a splash of soda.

AS SPIRITS FANS THEMSELVES, SUCCESSFUL PERFORMERS OFTEN WANT TO GRAB A PIECE OF THE ACTION.

SPIRITED VIRGINIA RECOGNIZES THE TOP WINNERS IN PAIRING MUSICAL ACCOMPLISHMENTS WITH FINE ALCOHOL.

BEST COUNTRY SOLO PERFORMANCE

Blue Chair Bay Rum. **Kenny Chesney**'s voice blends with the melodic picking of a guitar: "There's a blue rocking chair, sittin' in the sand, weathered by the storms and well-oiled hands." The soothing song engenders peace, relaxing on a beach, ocean breezes brushing your skin and a strong rum cocktail in hand.

In 2013, Chesney launched Blue Chair Bay Rum, molasses-based rums from a beachside distillery in Barbados, aged where sunlight and tropical winds can influence the aging. Other flavors from Chesney's rum line include spiced, coconut, banana, vanilla, key lime and flavored rum creams.

BEST METAL PERFORMANCE

Blackened American Whiskey. **Metallica's** straight American whiskey was created under the guidance of Master Distiller Dave Pickerell and perfected by the sonic enhancements of metal music. A blend of North American whiskeys is housed in black brandy barrels, then inundated with intense, low-hertz soundwaves to enhance molecular interaction and finish. To further ensure sonic enhancement, the band collaborated with Meyer Sound, using its proprietary subwoofer to amplify low-frequency waves.

"It just so happens that the low- frequency range needed for Dave's vision was the range you hear in our music," according to Metallica.com. "We call this sonic enhancement 'Black Noise,' and the playlists we create help shape the flavor of the whiskey."

BEST RAP PERFORMANCE

More than just a celebrity endorser, rapper **Jay-Z** heads global strategy and acts as part-owner for D'ussé Cognac, a premium French brandy. Not only is D'ussé a super sipper, it's also a superior cocktail ingredient.

"D'ussé is a new Cognac in the sense that the brand is only five years old, but it is a Cognac that is produced by a company that has been producing for over 200 years in a place that has been around for more than 1,000 years by a cellar master [Michel Casavecchia] who is today the most experienced of all the cellarmasters from the major Cognac houses," D'ussé marketing and sales director Phillippe Jouhaud told Billboard magazine.

BEST VISUAL EFFECTS

Sure, personal preferences make some cocktails clear favorites, but a great presentation elevates even the best mixed drink—just like a spectacular video enhances a song. At home, you can add visual appeal with layered cocktails, creative garnishes or fancy glasses. Or you can just use a liquor that does all the work for you.

And the winner is … Irish cream liqueur, which creates interesting, cloudlike effects in cocktails when floated on top!

BEST SUPPORTING SPIRIT

Background vocalists and musicians add rhythm and harmony, playing essential roles in a finished song. Supporting spirits likewise make the difference in a ho-hum and a spectacular cocktail.

And the winner is … Orange liqueur, an ingredient in a vast number of cocktails. Dress up your drink with a premium spirit like Cointreau or go for a casual aura with a budget basic like Bols.

BEST FOREIGN SONG

No need for subtitled lyrics when using spectacular international liquors—the taste communicates all you need to know.

And the winner is … Aperol, a distinctive Italian spirit that is experiencing a renaissance with the popularity of the classic Aperol Spritz cocktail: 3 ounces Prosecco, 1 ounces Aperol and 1 ounce of soda water, served in a wine glass with ice and garnished with an orange wheel.

TOP OF THE CHARTS

One popular liquor rises above the rest, as demonstrated by annual sales across the Commonwealth of Virginia.

It could be Fireball Cinnamon Whisky, that spicy Canadian spirit – but, no, Fireball comes in at number five. Jim Beam Straight Bourbon comes in at four, Jack Daniel's 7 Black Tennessee Whiskey holds the number three spot, and Hennessy VS Cognac takes second place.

And the winner is … Tito's Handmade Vodka, the bestselling popular neutral spirit. Vodka is infinitely mixable, with a wide variety of flavor choices. Corn-based Tito's out of Austin, Texas, is among the best of the best, and reasonably priced.

BEST TROPICAL LATIN PERFORMANCE

Diplomatico Reserva Exclusiva Rum. This complex sipping rum is crafted from pure sugar cane honey. It is distilled in ancient copper pot stills and aged in small oak casks for up to 12 years. On the nose one can detect maple syrup, orange peel, brown sugar and licorice. It is crafted in Venezuela and is perfect in tropical tiki drinks.

BEST ARRANGEMENT

Ramazzotti Rosato Liqueur: Amaro Ramazzotti is an Italian digestif from the bitters category. Thirty-three different aromatic plans and fruits are used in its production, including sweet oranges, whose taste is most prominent. It is a great addition to sparkling wine and a variety of accompanying spirits.

CONGRATULATIONS, WINNERS! AND CONGRATULATIONS, CONSUMERS, WHO GET TO ENJOY BOTH THE SONGS AND THE DRINKS.

Jean-Paul Charbonneau, Café Europa Bistro & Wine Bar, Portsmouth

Since 1986 Café Europa has been bringing a Mediterranean menu to Portsmouth diners, thanks to owner and head chef Michael Simko, who originally hails from Czechoslovakia. Café Europa has since expanded, now offering a wine bar alongside the regular dining room, featuring rotating wine and food specials. Jean-Paul Charbonneau has been at the restaurant for more than 20 years, ensuring that the beverages nicely complement the cuisine.

Tell us a little bit about your bar program.
We're a fine dining restaurant, so we don't have a huge bar. The servers make most of their own drinks, and I make most of the specialty drinks—like a gin version of an Old Fashioned for one of our Jazz Nights.

We have a small area in front that is like an old-style wine lounge, where people can just come in for drinks and a small bite to eat.

Can you give me an example of how the bar program complements the cuisine?
Our desserts are all made in house. We usually run about 13 to 15 desserts, so I do a lot of dessert martinis. The different variations of the martinis go with certain desserts. Like we do a white-chocolate raspberry bread pudding that's been pretty much a staple there since we opened, and I do a chocolate raspberry martini with Godiva White Chocolate Liqueur, and at just the right temperature, to match up with it.

What changes have you seen at the restaurant over the years?
The one thing that drives me nuts is the people that want to come in and out—you know, just dine and dash. [We're] a fine dining restaurant, so people should just relax and enjoy themselves. We do different versions of Manhattans, Boulevardiers, so you can just relax and enjoy yourselves before the food comes. We want people to relax.

Have you created cocktails that include Virginia spirits?
For two of our Jazz Nights we featured Three Bros. Distillery. One night, I used Three Bros. Kablam corn whiskey in four drinks: Blackberry Whiskey Smash, Bitter Sweet, Boulevardier and Smooth Criminal. [The Smooth Criminal, for example, was made with Kablam corn whiskey, muddled fresh basil, balsamic vinegar and shaved black garlic, topped with ginger beer and a fresh basil garnish.]

Another night, I used Three Bros. Silk Jacket gin in an Olde Towne Negroni, Gin Old Fashioned, Gin for Dessert, The European and Olde Towne Appletini. [For the Olde Towne Appletini, just add Silk Jacket gin and an apple wedge to apple cider – easy!]

Is there a customer favorite spirit and or cocktail at Café Europa?
That's tough, because we have so many regulars—more than 50 percent of customers are regulars that come in at least once a month. Lately, Woodford has been really kicking it off. I've been working on a Spiced Walnut Manhattan with Woodford, Vya sweet vermouth that's a little bit spiced and black walnut bitters. We've started getting more into the Rye Old Fashioneds, and I've been using Bulleit for those. I think Woodford, out of the bourbons, is our most popular. Then it just varies depending on who comes in.

What's your personal favorite drink?
I'm more of a straight-up drinker. I'd just sit and sip on some green chartreuse.

What's your favorite cocktail to make?
I'd have to say Old Fashioneds, because it takes so many steps, to make sure it's stirred, that everything's just right. And with the Gin Old Fashioned, I've done some variations and extra ingredients. ***—Annie Tobey***
